Allowance

1. The following is an examiner's statement of reasons for allowance: The examiner notes that none of the prior art of record discloses a method for testing a weighing device by determining error of the weighing device by individually measuring test loads at selected positions on the device, summing the weight errors of the test loads, and comparing the summed weight errors to a *tolerance level*. The prior art does not teach comparing the summed weight errors to a tolerance level, but instead teaches summing the greatest measured error and the certified weight uncertainty together.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul Kim whose telephone number is 571-272-2217. The examiner can normally be reached on Monday-Thursday 10:00-7:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Marc Hoff can be reached on 571-272-2216.
